# Welcome

*I'd like to formally welcome everyone to the inaugural Border Collie Club of South Australia Inc. Herding Trial.*

This has been an event that the Border Collie Club has been excited to run since the inception of the club in 2021, as it celebrates our wonderful Border Collie in exactly the role that they were bred over centuries to do. To make it an event that is economical and inclusive, we have been able to include all eligible breeds to run as an unrestricted trial, which as a breed club is not an option often available to us in most other sports.

Our sincere thanks to Kathy Brown for her advice, support and of course the use of her property and stock in hosting this event today. Thanks also to Belinda Hameister who has transported her ducks to give us another stock option. Kristen Hughes has provided plenty of advice and support throughout the planning stages of this event and this has been a major factor in ensuring we felt prepared enough to go ahead.

Thanks also to the Herding Dog Club of SA and their members for their enthusiasm and support for a breed club to hold a herding trial, and reaching out with offers of assistance frequently during the leadup and running of this event.

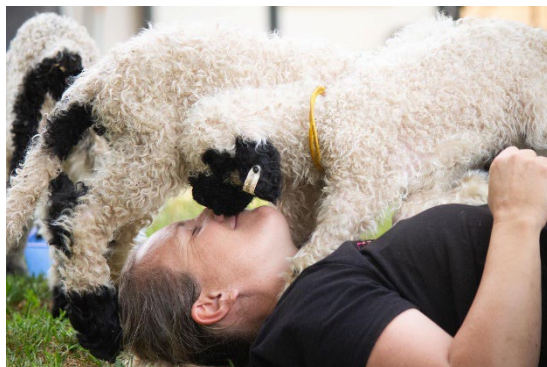

We would like to welcome our wonderful judges Jane Humphrey and Kathy Brown to our event as well as Jean Milnes acting as our SACA Rep and we thank them for providing their services. We hope today will be an enjoyable day for all officials and competitors and set the stage for future Herding trials held by the Border Collie Club as we gear up to host the Breed National in 2027 here in South Australia.
