Committee Member Candidate Bio

Please include some information about yourself that we can use as an introduction to voting members to allow them to both make informed decisions at the AGM when electing committee but also feel like they are getting to know the people running things behind the scenes. Some ideas to get you started are to include your history within the breed, other clubs, personal/professional history if you think it relevant, your interest in becoming a committee member and what you would like to achieve by doing so.
